Gouvernement 2.0 et accès à l'information : Le point sur
la divulgation proactive et le libre accès au Canada

Plénière du midi

Centre Mont-Royal 2200 Mansfield Street, Montreal

Le lundi 4 avril 2011

OpenData pourquoi?

Décisions fondées sur des données probantes

1. Citizen participation in decision-making is fundamental to democracy
2. Good decisions are made by informed citizens
3. Quality civic data and information are fundamental to keeping citizens informed; and
4. Citizen projects using civic data will generate innovative solutions to social, economic and environmental problems.

Participatory Democracy
